

Denver – Nexus Commercial Realty, LLC, has closed the sale of 710 Emery Street & 1637 Kimbark Street in Longmont, for the portfolio sale price of \$2,400,000. Brandon Kaufman & Nik MacCarter of Nexus represented the Seller, and Sean Holamon of Nexus represented the Buyer in the transaction.

The deal totaled 20 units, with four 2-bedrooms, and sixteen 1-bedrooms.

The properties are located in a great Longmont location, close to Main Street with many restaurants and retail.

The buyer plans to install a new roof on the Kimbark property, as well as renovate and improve all units in both buildings.

Please call or email today to find out how we are different than the average apartment advisors.

#### About Nexus Commercial Realty, LLC:

Nexus is a full-service firm for the commercial real estate industry in Denver. Specializing in high caliber solutions developed for owners and investors, we deliver specialized services such as acquisitions, dispositions, seller representation, buyer representation, and consultation regarding commercial properties. We provide high caliber services to owners and investors delivered with the focused attention only a privately-owned firm can offer. With over 25 years of combined experience, our Colorado roots are deep because our market experience in commercial real estate is firsthand. This positions us to help clients reach their business and financial goals while ensuring their best interests are always protected. As a team, we might not appear as your typical brokerage - and that's by design. Even though we've been in the industry for more than two decades, we are as enthusiastic, energetic and collaborative as when we first started. At Nexus, there is no internal competition because our purpose is aligned. This reduces internal competition and makes us more productive on a per broker/agent basis. We love coming to work every day because we love helping our clients achieve their goals. You might find us in jeans instead of slacks, outside meeting people instead of in our office. We do things differently because we are different.
